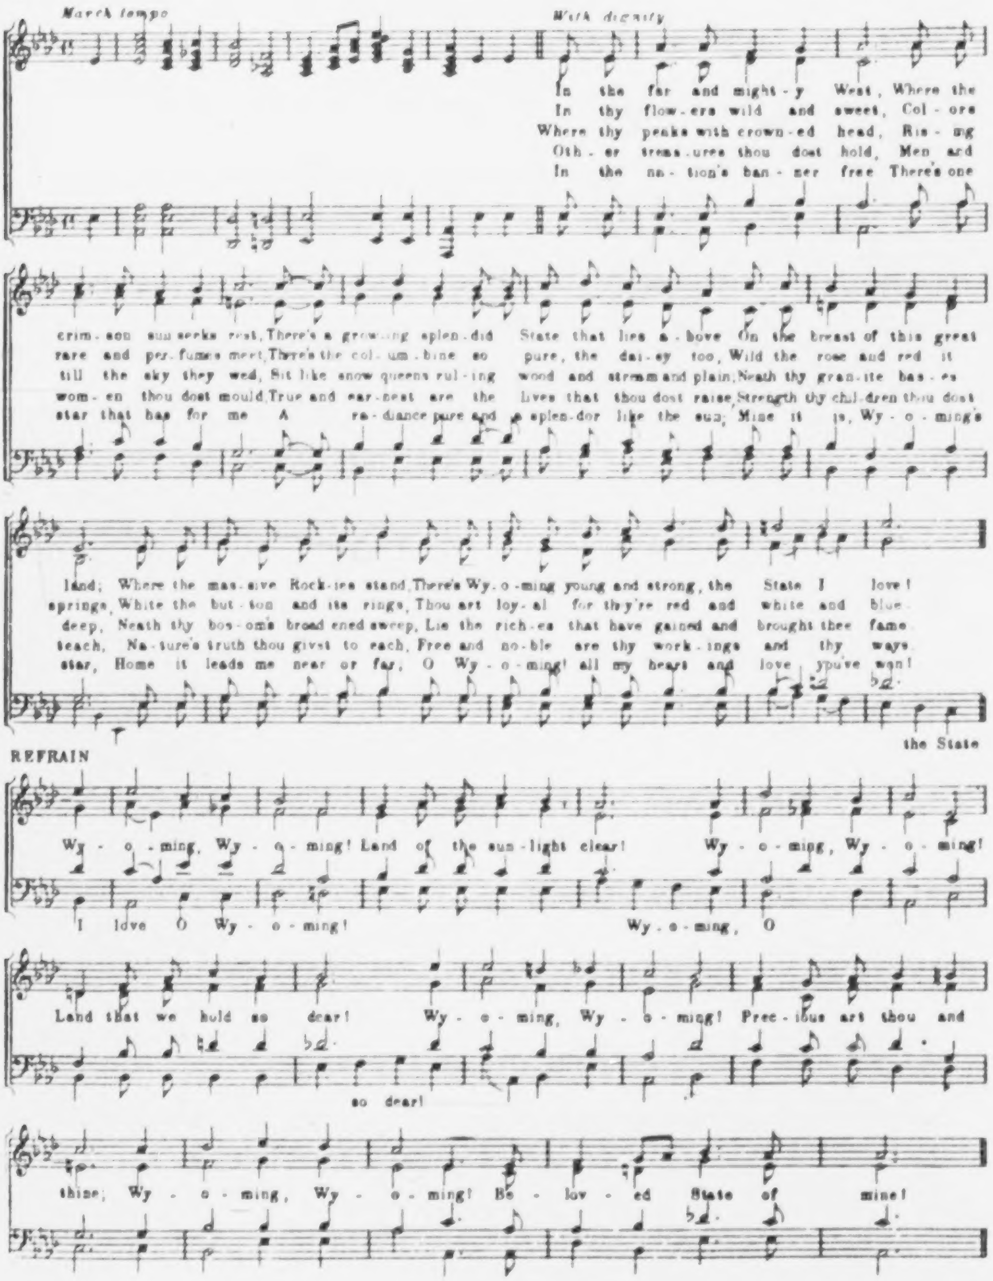
WYOMING

March Song

Lyric by C. E. WINTER

Music by G. E. KNAPP



March tempo
With dignity
In the far and mighty West, Where the crimson sun seeks rest, There's a growing splendid State that lies above On the breast of this great land; Where the massive Rockies stand, There's Wyoming young and strong, the State I love!
In thy flowers wild and sweet, Colors rare and perfumes meet, There's the columbine so pure, the daisy too, Wild the rose and red it springs, White the button and its rings, Thou art loyal for they're red and white and blue.
Where thy peaks with crowned head, Rising till the sky they wed, Sit like snow queens ruling wood and stream and plain, Neath thy granite bases deep, Neath thy bosom's broad ened sweep, Lie the riches that have gained and brought thee fame.
Other treasures thou dost hold, Men and women thou dost mould, True and earnest are the lives that thou dost raise, Strength thy children thou dost teach, Nature's truth thou givst to each, Free and noble are thy workings and thy ways.
In the nation's banner free There's one star that has for me A radiance pure and splendor like the sun; Mine it is, Wyoming's star, Home it leads me near or far, O Wyoming! all my heart and love you've won!
the State
REFRAIN
Wyoming, Wyoming! Land of the sunlight clear!
I love O Wyoming!
Wyoming, Wyoming! Land that we hold so dear!
Wyoming, O
so dear!
Wyoming, Wyoming! Precious art thou and thine; Wyoming, Wyoming! Beloved State of mine!

State Song — Written by C. E. Winter and adopted by the Thirty-third Legislature in 1955.

LEGISLATIVE BRANCH

Legislative Foreword

The Legislative branch of state government drafts and passes the laws providing for the well-being, growth and development of the state, and for the protection of her citizens.

The Wyoming State Legislature consists of 30 State Senators and 64 State Representatives. The term of office for the Senators is four years, 15 of the members being elected at a general election at which a President of the United States is elected, the balance at an off-year election. The entire body of the House of Representatives is elected every two years to serve a two-year term. Terms begin on the first Monday in January following election.

The 1981 reapportionment of the State Legislature provides for a total of 30 State Senators and 64 State Representatives. See page 142 for breakdown.

The general legislative session convenes on the second Tuesday of January of the odd-numbered years and shall not exceed 40 legislative working days. In 1972, voters in Wyoming approved an amendment to the Wyoming Constitution which permitted an additional twenty-day session of the Wyoming Legislature in even-numbered years for the consideration of the State's budget. The budget session convenes on the third Monday of February of the even-numbered years and shall not exceed 20 legislative working days.

The present Legislature has a Republican majority in both bodies; 19 Republicans to 11 Democrats in the Senate; and 41 Republicans to 23 Democrats in the House.

In 1988 there are four women serving in the Senate and 18 women in the House of Representatives.

The general session of the 50th Legislature convened on January 10, 1989.

The budget session of the 50th Legislature will convene on February 19, 1990.
